

EL DORADO COUNTY JUNIOR LIVESTOCK AUCTION

**Want to contribute but can't buy an animal?
Can't attend this year's auction?
Want to support young people in our community?**

Join The Group!

Funds collected from The Group help to "bump up" overall prices for exhibitors or to improve prices when there is a lull in bidding. All funds collected are spent immediately on the current year's exhibitors. 4-H/FFA/Grange members recognize your support immediately when they see the prices of their animals increase.

Minimum contribution to be part of the group is \$200; of course, we'll take more!
