Signing in on the roster is an important part of providing proof. This class must be taken every two years. Those that took the class in 2018 do not have to take it in 2019. If you cannot attend the Quality Assurance class provided by the Fairgrounds, there are online courses that may be taken instead of the classroom session, however, there is a fee AND these are annual classes and will only be valid for the current year the class was taken.
- Q. Animals sold at the auction may NOT have used any added hormone treatments. All animals must comply with the proper withdrawal times for all antibiotics, de-wormers and other pharmaceuticals.
