

**EL DORADO COUNTY
JUNIOR LIVESTOCK AUCTION**

THE GROUP

Want to contribute but can't buy a lot?

Join the Group!

The Auction Committee for years has helped support the youth of our community by purchasing animals with donations received from individuals and businesses that want to support our youth but cannot attend the auction or who want to contribute but can't for some reason buy a whole lot.

We started a network support group that pooled these donations to support the auction. The forming of this group has been extremely successful in support as well as smoothing out some wrinkles in the bidding/bookkeeping area.

Minimum contribution to be part of the group is \$200, of course, we'll take more!
