

## EL DORADO COUNTY JUNIOR LIVESTOCK AUCTION

**Want to contribute but can't buy an animal?  
Can't attend this year's auction?  
Want to support young people in our community?**

# **Join The Group!**

Based on amount of funds raised, the price per pound for each species will be bumped to a minimum bid amount by the Group and Exhibitors below that amount will be bumped after the auction. All funds collected are spent immediately on the current year's exhibitors. 4-H/FFA/Grange members recognize your support immediately when they see the prices of their animal's increase.

Minimum contribution to be part of the group is \$200; of course, we'll take more!
