

SHOWMANSHIP

AMERICAN SYSTEM OF JUDGING – \$5 Entry Fee – RIBBONS ONLY

Only animals owned, fitted and exhibited by Junior Exhibitors may show in Junior Department Livestock Divisions. Fair Management reserves the right to use any animals entered in the referenced divisions and classes for any exhibitor competing in Master Showmanship. The individual species sections indicate when each species is judged for showmanship. Exhibitors shall be on hand and ready to exhibit at the time called for judging.

Livestock shown in showmanship must be owned (or leased for horse/llamas) by the exhibitor, entered by the exhibitor and shown in an appropriate market, breeding, conformation or performance class. If the exhibitor has an animal that was weight sifted and could not show in the market class, they may use that animal for showmanship, only if that animal is the only animal the exhibitor brought to fair.

All exhibitors selling at auction **MUST** participate in that **SHOWMANSHIP** class and are required to adhere to the official show dress code.

Exhibitors are **Required** to pre-enter for Showmanship on same entry form as their livestock entry. It is not necessary to register for Master Showmanship as this class is selected following Individual Showmanship classes.

All buckles, banners and special awards are supplied by each club/group. Independents and Clubs may purchase awards on their own. The Fair only supplies Rosettes and ribbons in Livestock Classes.

NOTE: Youth Organizations (FFA, 4H, Grange) may have different qualifications and expectations for their members associated with showing at the annual county fair. These organizations also may fundraise to award "their" highest placing member of "their organization," a special award. Because of this, a 2nd place (or lower) exhibitor may be awarded a Championship Buckle "from" their organization, not the fair. This does not change the placing in the "Fair contest," the 1st place fair exhibitor will move on to the Master Showmanship competition, either Independent/ 4H or Independent/FFA.

Exhibitors that belong to FFA, 4H and INDEPENDENTS with different species may compete in their species Showmanship Class. If he/she wins more than one class, he/she may enter the Master Showmanship class in FFA and 4H as long as the 4H and FFA classes are judged separately and as long as the exhibitor exhibits in appropriate uniform for all classes.
