7th GRADE AND OLDER

RULES

STATE RULES APPLY

- Adults & Students may enter in each of the following categories: Drafting, Architectural Drafting, Graphic Arts, Electronics, Construction, and Manufacturing. A maximum of four (4) entries may be submitted by a student.
- All signatures and information necessary to determine that the exhibit is eligible must be on the entry form. Entry forms received without entry fees or required information will be rejected and returned to exhibitor.
- Students and ROP:** Only projects constructed, fabricated, or made in school under the supervision of an instructor by a student enrolled in an Industrial & Technology Education course will be acceptable. Verification from registrar or administrator may be required.
- Students and ROP:** Only projects started on or after the first day of current school year are eligible for entry.
- Students enrolled in the Industrial & Technology Education Program below the 7th grade level will be permitted to enter in the Industrial & Technology Education Competition only if in the instructor's opinion the student's project is worthy of entry. If entry is made it must compete in the 7th and 8th grade level.
- Regional Occupation Program (ROP) students must enter the Division for the grade they are attending.
- If the project is for sale, please mark "for sale" with sale price on Entry Form. All inquiries regarding sale of entry will be referred directly to the exhibitor.
