RULES

- A. State and Local Rules and Regulations shall apply.
- B. Exhibitors must have prepared their own entries since the close of last year's fair, with the exception of "Family" entries. These may be created together, as a family project.
- C. All products being considered for the cash awards which have not otherwise been eliminated from consideration will be opened.
- D. Each food entry must consist of two (2) identical examples: one to be judged and one for the display exhibit. Vinegar, Cordials, Liqueurs, Honey, and Syrups are excluded. Please refer to Rule G below.
- E. All jars must be standard clear canning jars with a two (2) part lid and ring band closure. No products requiring refrigeration will be accepted. All canning must be in sealed jars. No paraffin wax.
- F. Labels must be no larger than 1"x2" or round and may be placed on the side of the jar (exception youth, teen & 4-H) or on top of the lid. Labels must state the name of the product, the date canned, and the method used. (Example: the initials B.W. for Boiling Water canning, P.C. for Pressure Canner, S.T. for Steam Canned). **THE NAME OF THE EXHIBITOR MUST NOT BE ON THIS LABEL. New:** TEEN, YOUTH & 4-H: Both jars MUST be labeled on their lids. Fair staff will cover the lid with an additional label to keep it anonymous. Adult entries MAY have labels on the lid and will be treated anonymously also.
- G. Vinegars, Cordials, Liqueurs, Honey, or Syrups only: Containers must be as follows: One (1) Tamper-Proof, labeled bottle, jar, or another container for the display exhibit and one (1) labeled ½ pint or standard pint canning jar for the judging. **NEW:** High-acid foods that require a processing time of 45 minutes or less, may be processed in an atmospheric steam canner. The processing time is the same as for a boiling water canner, adjusted as necessary for altitude. For more information,

go online to National Center for Home Food Preservation: http://nchfp.uga.edu/how/can_home.html

- H. Canning Methods: All Low Acid Foods, all vegetables, tomatoes containing vegetables, meat, poultry, or fish must be canned Under Pressure. All high-acid foods, jams, jellies, soft spreads, fruit, pickles, tomatoes, condiments, and juices must be processed in a boiling water canner or a steam canner. Borderline high acid fruit, such as figs, tomatoes, tomato products, or Asian pears must be made more acidic by adding lemon juice or citric acid as directed in the USDA Complete Guide to Home Canning. For more information, refer to the National Center for Home Food Preservation website. **NOTE:** Open kettle or inversion methods will not be allowed to enter.
- I. Dried products must have a minimum of ½ cup in each jar.
- J. Kombucha must be bottled in Grosch-style bottles or tightly sealed containers. Kombucha may not be stored at room temperature for more than 14 days.
- K. American Judging is traditional placing: One first place, one second, and one-third place will be awarded. Danish judging is when exhibits are judged upon their own merit. There may be more than one first place, second place, or third place exhibit.
- L. DUE TO FOOD SAFETY ISSUES, WE RESERVE THE RIGHT TO REFUSE ACCEPTING PRODUCTS THAT DO NOT ABIDE BY THE ABOVE RULES
- M. TEEN Exhibitors may enter this division if they are at least 14 years of age and have not yet had their 19th birthday before the opening of the fair. TEENS will be judged "American" and will receive ribbons, no prize money, except for the Best of Show sponsored by Marshall Grange #451.
- N. YOUTH exhibitors may enter this division if they have not yet had their 14th birthday before the opening day of the fair. Youth exhibitors will be judged by the "Danish" system and will receive ribbons, however, no cash prizes except for the Best of Show sponsored by Frosty Firs Christmas Tree Farm of Apple Hill.
- O. 4-H Exhibitors may enter this division if they are a member of an El Dorado County 4-H club and enrolled in Food Preservation. 4-H exhibitors are judged by the "Danish" system and receive ribbons, however, no cash prizes except for the Best of Show award sponsored by Marshall Grange #451.
- P. Classes may be combined to ensure 3 to a class. Premiums will only be paid if there are at least three in a class. **STATE RULES APPLY**
