

How to become a Vendor at the El Dorado County Fair

(The Fair does not offer exclusivity (Sponsorships will offer exceptions), however, the fair coordinator will limit "like" businesses or allow a certain amount of said businesses inside the building and outside the building. If you are uncertain and would like to know if your type of business is full prior to submitting an application, you can email the vendor coordinator at amanda@eldoradocountyfair.org)

1. Complete the appropriate application (use the Concessionaire application if you sell food or entertainment), and make sure you list all items you wish to sell or services offered at the fair. Booth placement will be based on these items. Make sure and designate which area you would like to be placed in, in order of preference.
2. Include a check or money order, or complete credit card authorization form, for 50% of the booth fee. (Payment will not be processed until the application is approved by Fair staff).
3. Attach a copy of your California resale permit.
4. Attach photographs of a recent booth setup (unless you are a returning vendor and are making no changes to your setup).
5. Submit to the vendor coordinator via email, snail mail, or in person.

APPLICATIONS THAT ARE RECEIVED WITHOUT PAYMENT CAN NOT BE PROCESSED.

6. Vendor coordinator will assign booth space, submit to CEO for signature, and return a signed copy of your application via email, along with an invoice for the remaining balance (due within 60 days or by May 12th, 2023), and a request for liability insurance.
7. If all necessary documents and payments are submitted, your vendor packet will be ready for pick up at the Armory Rd Gate on Tuesday, June 13th at 8:30 am.

CASH REGISTER REQUIREMENTS

- Every concession stand **must** have a working cash register that has removable tape. There must be a working, legible ink tape in place as well. The register shall be visible to customers when placing an order. Maintenance of registers is the Licensees' responsibility. Please report downtime to Fair Office immediately.
- **All sales must be rung up on the cash register.** Cash drawers will be closed following each sale. Continuously opening the cash drawer or using of separate cash box is prohibited.

- Please keep "No Sales" to a minimum. Excessive use of the "No Sale" key will be construed as an unrecorded sale and a factored amount will be added to daily sales by Fair auditors.
- **Over rings** - All sales must be rung into the cash register. If a cashier makes an error after the sale is finalized on the register, then it **must be recorded on the over-ring report and circled on the cash register tape. Do not ring a void or try to credit the sale.** The correct sale amount must be re-rung into the cash register. If excessive over rings occur, the licensee will be required to use a register with pre-set price keys that can be canceled before hitting the cash key. Once the cash key is entered, voids are prohibited. Attach receipt tape to over ring report. **Reporting over rings is your responsibility. The concessions auditor will not locate you over rings for you.**
- **Under rings** - There should be no under rings.
- **"Z" Tapes** – Please start the fair with a new ink cartridge. The tape must be legible. The auditor will take readings from your stand on opening day, or earlier by arrangement with Fair Office. Each day thereafter you will "Z" your tapes before opening for the day and bring the "Z" and all register tapes to the office by 10 am, clearly marked with the date and concession name. These tapes will not be returned to you. Daily sales figures as reported by the Concessions Auditor will be used as the basis for your final sales figures.
- On closing night, our auditors will come around to "Z" you out. **Under no circumstances should a concessionaire "z" themselves out on the closing night! Do not leave the grounds without being "Z'd".**
- Every concession stand must have a cash register. No stand may operate from an open cash drawer. Each register must have the following capabilities:
 - ⇒ Customer Display (must be visible to the public -pivot display suggested)

We strongly encourage point-of-sale registers to avoid mistakes. **Any cash register problems must be reported immediately to the Concessions Auditor!!!**

AUDITS

Each concession stand **must** have a cash register. Please refer to Cash Register Requirements in this guideline. A Concessions Auditor may observe all concession stands for violations. **Our Concessions Auditor will come by opening day to "Z" your registers prior to your first transaction for Fair. If you would like to be "Z'd" earlier, please contact the fair office so arrangements can be made. Upon opening each additional morning, "Z" your own registers and bring the opening tapes to the Fair Office by 9 am. Tapes must be marked with the concession name and the date. Remember to bring your ring sheets. Overrings are not the auditor's jobs to locate! On the closing night of the Fair, the Concessions Audit staff will close your stand and collect tapes, at which time you must report to the Fair office for final settlement even if you believe you don't owe any money. Arrangements for settlement on Monday must be approved through Fair Management prior to Sunday night. All Concessionaires are subject to daily auditing by Management**
