Definition of a Public Event: A public event is open to the public, either for profit or not-for-profit and money is exchanged to attend, buy food and/or beverages.

RENTAL POLICIES

This document comprises the policies adopted by the Board of Directors of the El Dorado County Fair Association (“Association”) governing interim events presented on the Fairgrounds by any organization or person. It sets forth in detail the conditions under which an organization or person, hereafter referred to as the “Renter,” may present commercial activities, displays, or entertainment on the fairgrounds.

No organization or person may use any portion of the Fairgrounds without having first executed a Rental Contract for occupancy. A Rental Contract must be signed by the Renter and by an authorized representative of the Association prior to the Renter’s commencing any activity on the Fairgrounds.

Discrimination & ADA Compliance Policies

Non-Discrimination: No organization or person will be discriminated against belief or affiliation, medical condition, physical or mental disability, race, color, national origin, religion, sex, sexual orientation, gender identity, age, political beliefs or marital status. Any person or organization entering into a rental contract with El Dorado County Fair Association is required to comply with this non-discrimination policy. Any person or organization entering into a rental contract with El Dorado County Fair Association will be required to execute a statement agreeing to indemnify and hold harmless the State of California, County of El Dorado, El Dorado County Fair Association and Event Center, and each agency’s officers, agents, employees, volunteers, and elected and appointed boards, for any failure to comply with this non-discrimination policy.

Americans with Disabilities Act: It is the policy of El Dorado County Fair Association to provide reasonable accommodations to individuals with disabilities and to comply with the Americans with Disabilities Act. All persons and organizations entering into a rental contract with El Dorado County Fair are required to provide access and reasonable accommodations to individuals with disabilities and will be required to execute a statement agreeing to comply with all provisions of the Americans with Disabilities Act. Renters will also be required to indemnify and hold harmless the State of California, County of El Dorado, El Dorado County Fair Association and Event Center, and each agency’s officers, agents, employees, volunteers, and elected and appointed boards, for any failure to comply with the Americans with Disabilities Act.

Operational Policies

The Renter agrees to fulfill the terms and conditions of the “Rental Contract” relating to the use of facilities as they are now in effect or as they may be adopted hereafter. The Association reserves the right to modify policies or rental rates. Every effort will be made to notify the Renter of changes as they are made.

Facilities will be rented based on the availability of dates, type of event, number of event days, and past performance of the renter. The Association reserves the right to deny and/or cancel applications for rental of its facilities when, in the opinion of management, such events may conflict with similar events previously scheduled or are not in the best interests of the Association, the County of El Dorado, or the general public. In addition, the Association reserves the right to base rental decisions on the best utilization of the facilities, greatest public interest, or highest revenues for the Fair Association. The Association may refuse an event booking when, in its sole opinion, the event may cause undue or unusual damage to the facilities, or cause or have the potential to cause cancellation of other events due to excessive cleaning or repair time.
