\$10.00 per horse  
\$10.00 per rider

\*This program is open to all El Dorado County residents, and current open ride club members from El Dorado and Amador Counties only.

**WE ARE NOT ACCEPTING MONTHLY PASSES AT THIS TIME.**

Those passes will be extended after the shelter in place ends\*

## TERMS AND CONDITIONS

During "COVID- 19 Social Distancing", we understand that equestrians want to get their horses out, they need exercise and we all need to get outside safely. **We will be offering a COVID-19 Open Ride program.**

This is NOT our regular program that accepts monthly pass riders. It will be **DAY USE ONLY** and prepaid via PayPal prior to coming to the Fairgrounds.

Because we are **closed to the public**, you will have to call the cell number on armory road gate (near Raleys), one of our maintenance staff members will meet you at the gate, confirm you have paid via paypal (please have your receipt ready) and then they will let you in.

Please be patient, it could take up to 5 or 10 minutes to let you in. When you are ready to leave, call him again and he will meet you at the gate to let you out.

Please be courteous of our staff, other riders and practice social distancing.

This is a COVID-19 *social distancing* program designed to limit the number of riders so that social distancing is possible. **This is a trial to see if it works so please practice social distancing so we can continue this program.**

We will leave the gates of the arena open, so that no one needs to touch anything except their own trucks, trailers and tack. Please remove your manure with your own forks.
